The Big New Idea: Mood

W = Wishes
F = Feelings
D = Doubts
U = Unreality

Taught one trigger at a time.
A pattern, not a puzzle.

Memory Retention $\propto$ Vocal Practice

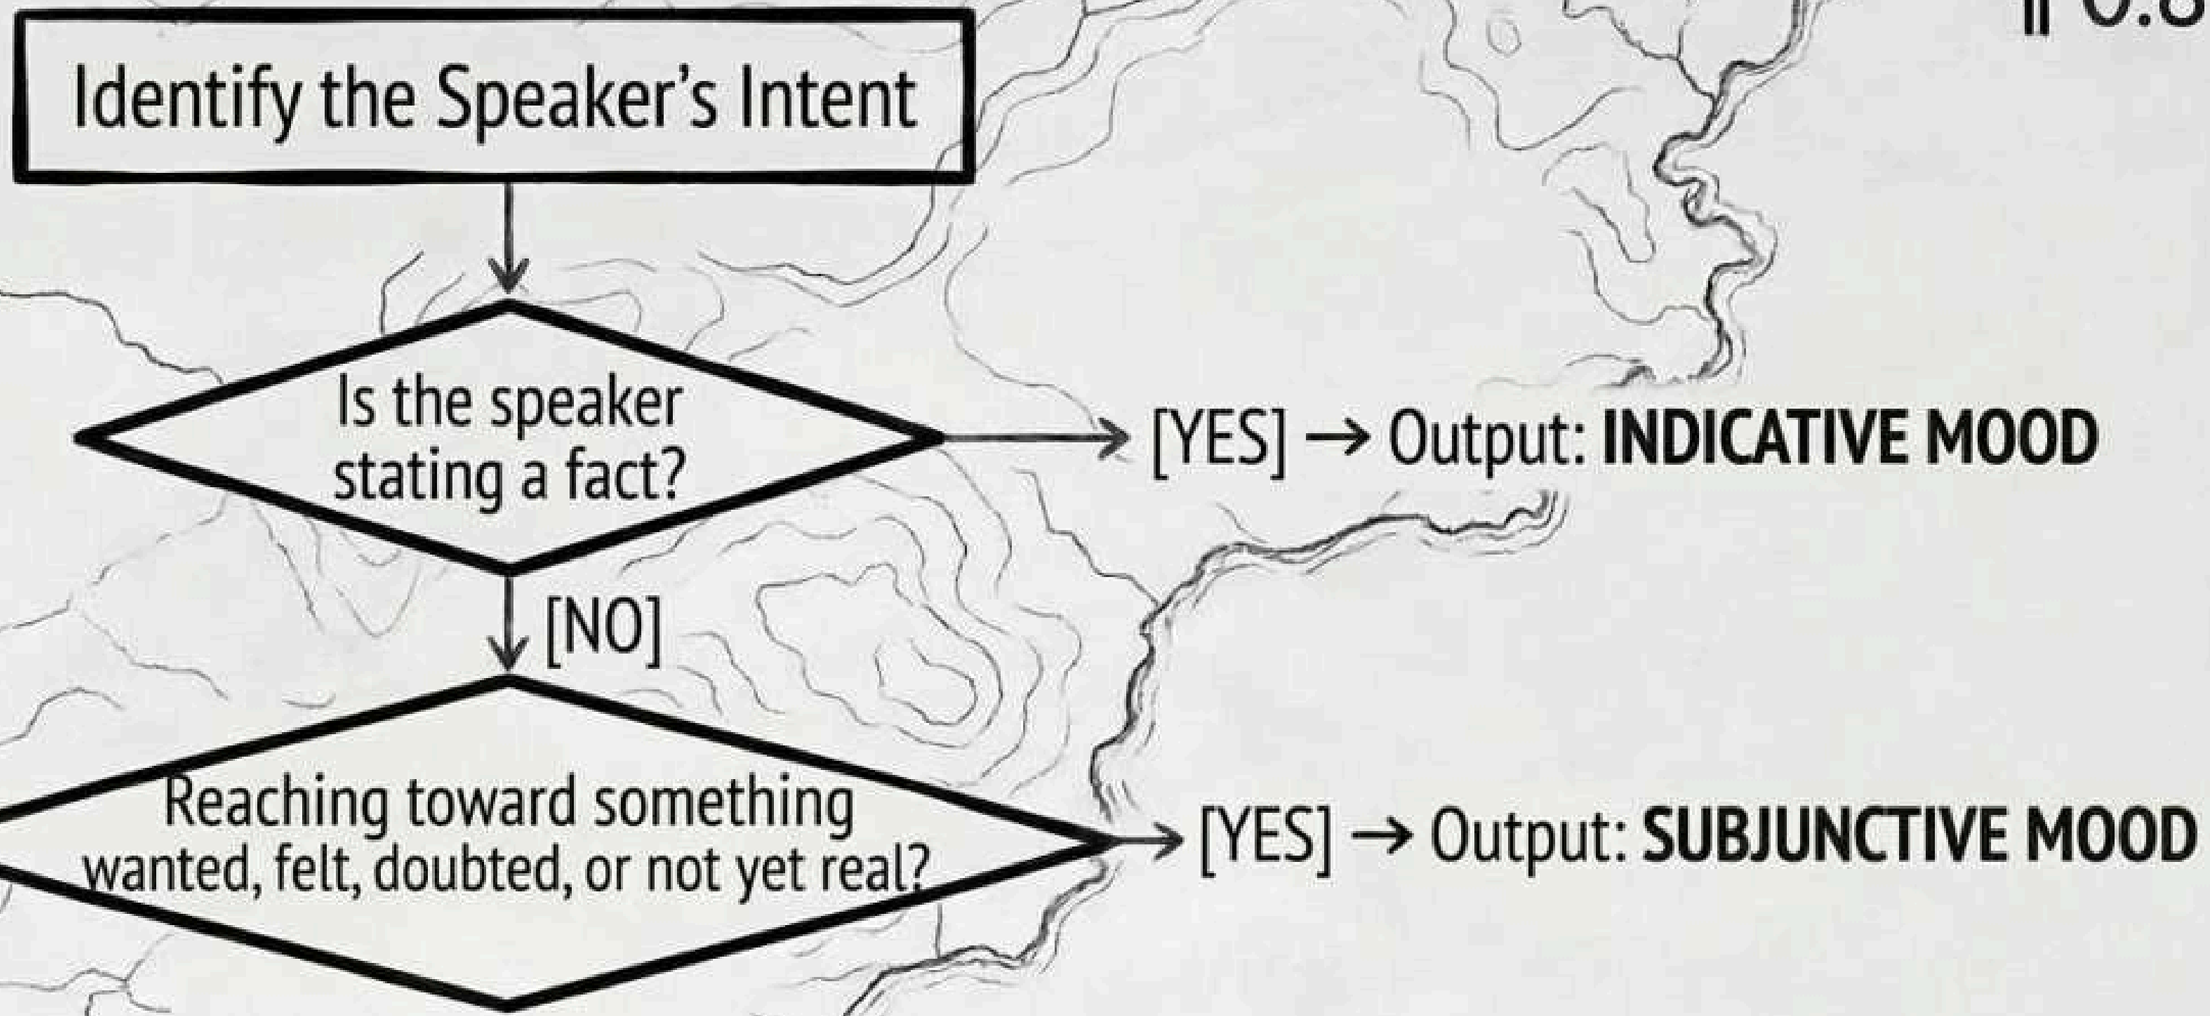

1. Narrator speaks English.
2. Second voice speaks Spanish.
3. Slides show Spanish in **GOLD**

[Hear Spanish] → [Pause] → [Speak Aloud]

Speaking is not an extra. Your mouth needs **practice as much as your memory** does.

Input (Course Transcripts) + AI Conversation Practice + Live Correction = Fluency

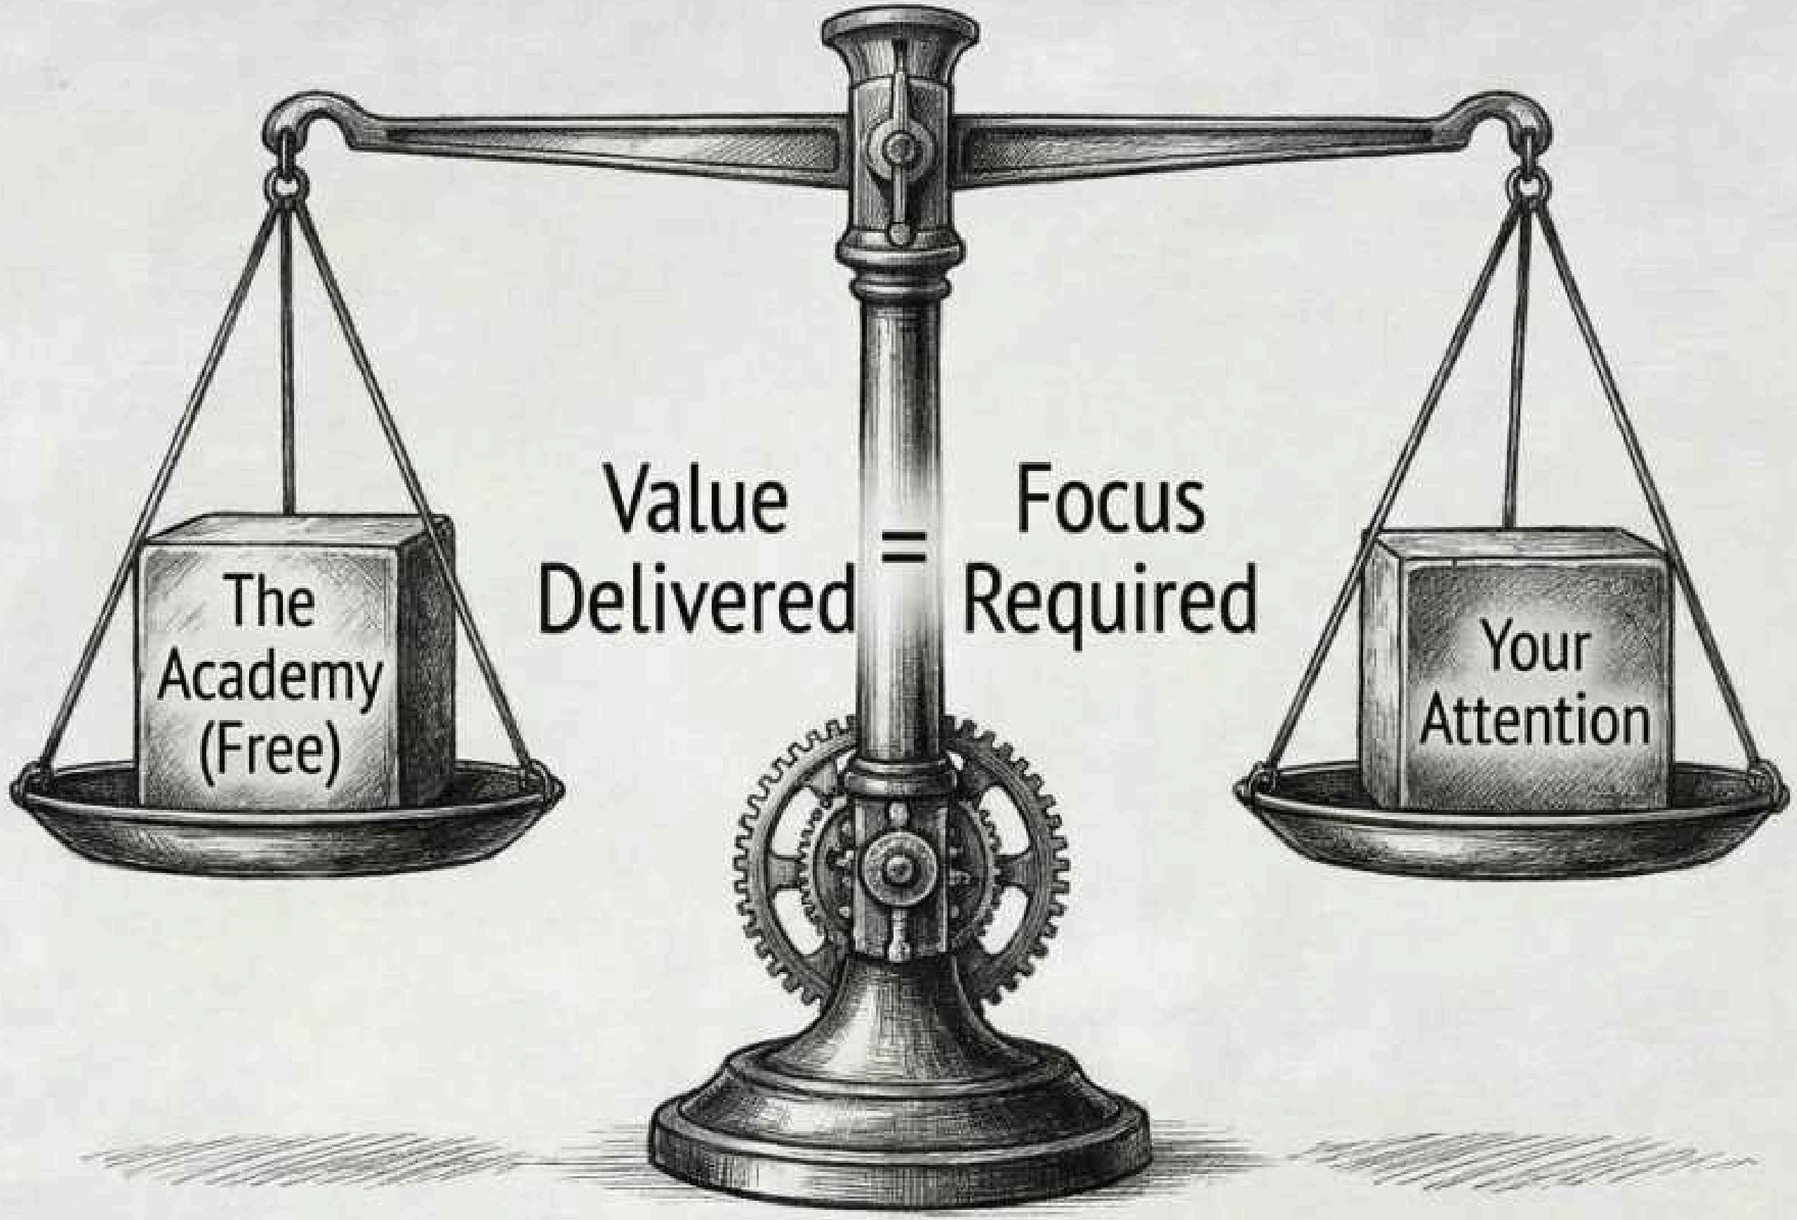

- 1. Feed transcripts to an AI tutor.
- 2. Engage in dynamic conversation.
- 3. Receive real-time corrections.

Combined with quizzes and vocal exercises, this is a complete, zero-cost study ecosystem.
